This is arguably the best account of the 1914 campaign ever written. It focuses on all of the fronts in Europe, such as the Western and Eastern Fronts, and is incredibly detailed with rich accounts of the battles of Tannenberg, The Marne, The first battle of Ypres, and little Serbia kicking Austria Hungary out of their country twice before the end of the year.

In Catastrophe 1914, Max Hastings gives us a conflict different from the familiar one of barbed wire, mud and futility. He traces the path to war, making clear why Germany and Austria-Hungary were primarily to blame, and describes the gripping first clashes in the West, where the French army marched into action in uniforms of red and blue with flags flying and bands playing.

~~Catastrophe: Europe Goes to War 1914 (Paperback)~~

Ranging across Europe, from Paris to St. Petersburg, from Kings to corporals, Catastrophe: Europe Goes to War 1914 traces how tensions across the continent kindled into a blaze of battles - not the stalemates of later trench-warfare but battles of movement and dash where Napoleonic tactics met with weapons from a newly industrialised age. A searing analysis of the power brokering, vanity and bluff in the diplomatic maelstrom reveals who was responsible for the birth of this catastrophic ...
