Donald Rumsfeld's vision of a

Page 60/64

Online Library Commander Programming Guide

transformed U.S. military has been discussed by many and understood by few, and this lack of understanding has resulted in both significant simplifications and sweeping generalizations. If Rumsfeld's Transformation is indeed dead, does this mean that

Online Library Commander Programming Guide

Transformation as a greater process is dead as well? This report discusses the answers to this question, which requires one to understand first that Rumsfeld's Transformation Vision (RTV) is the result of multiple influences that predate his time in office. Second, RTV is actually an

Online Library Commander Programming Guide

umbrella term for 3 different things: a new way of war, a process, and a defense strategy. And third, the military services shaped, and at times limited, the effectiveness of his program. Illus.
