critical focus. This new edition has been updated to reflect changes in the law since the first edition published

This fourth edition of Scots Criminal Law takes account of case law developments, changes arising from the Sexual Offences (Scotland) Act 2009, and coverage of the Criminal Justice and Licensing (Scotland) Act 2010, including Breach of Peace. The book provides an essential introduction to criminal law for students and those with a general interest in this subject. It provides a firm grounding, both assisting and encouraging more detailed study.

Examines the influence of classical philosophy on revenge narratives by Shakespeare and his contemporaries

general principles, defences, and the mental element in crime.

This text explains all the basic principles relating to Scots criminal law. This new edition takes account of significant changes in the substantive law, including clarification of areas of doubt in the law of attempt, theft, diminished responsibility and the mens rea of rape. It also covers developments in other areas, including reckless conduct and the doctrine of art and part, where the boundaries of criminal liability have been explored and sometimes extended. Primarily intended for students, Scots Criminal Law, is a clear and comprehensive introduction to this important subject, and by providing a firm grounding, both assists and encourages more detailed study.

Now in its second edition, Scots Criminal Law - A Critical Analysis provides a clear statement of the current law for students and practitioners, retaining the theoretical and critical focus of the first edition. It also considers what types of behaviours are subject to the criminal law sanction, and why. This new edition has been updated to reflect the redefined crimes of murder and breach of the peace, the broadened application of the necessity defence and the enactment of the Criminal Justice and Licensing (Scotland) Act 2010 and the Offensive Behaviour at Football and Threatening Communications (Scotland) Act 2012.

Read PDF Criminal Law Of Scotland Scottish

This collection of essays honours the work of Sir Gerald Gordon CBE QC LLD (1929-). In modern times few, if any, individuals can have been as important to a single country's criminal law as Sir Gerald has been to the criminal law of Scotland. His monumental work *The Criminal Law of Scotland* (1967) is the foundation of modern Scottish criminal law and is recognised internationally as a major contribution to academic work on the subject. Elsewhere, he has made significant contributions as an academic, judge and as a member of the Scottish Criminal Cases Review Commission. Reflecting the academic rigour and practical application of Sir Gerald's work, this volume includes essays on criminal law theory, substantive law and evidence and procedure by practitioners and
