"Flash and Bones" opens with forensic anthropologist Tempe Brennan, reflecting on NASCAR race week at the Charlotte raceway, stormy Spring weather, and how Summer saved her life. Summer is the self-absorbed large-breasted twenty-something squeeze of her ex-husband Pete, who annoyingly turns up / rings up to wail about the upcoming wedding arrangements.

Flash and Bones (Temperance Brennan, #14) by Kathy Reichs

The fourteenth book in Reich's Temperance Brennan-series is entirely set in Reich's and Tempe's home town Charlotte one week after her Hawaii vacation in "Spider Bones", right at the start of NASCAR Race Week. Tempe is asked to identify a body found in a barrel of asphalt near the Charlotte Motor Speedway.
