Whether you are a parent anxious about your child's education, a family considering homeschooling, or a young person contemplating a career as a teacher, this book will help you think

Access Free Gettysburg

through what a true education involves. After a brief survey of where education in America has gone wrong, including a glance at controversial efforts like Common Core and Race to the Top, the authors describe the alternative to today's failed fashions in learning: a classical

Teaching the Trivium

by Laurie and Harvey

Bluedorn maintains that

the classical style of

education is designed to

serve Christians well

because it was the

original model of

education that God had

in mind for his people to

progress from

Access Free Gettysburg

knowledge, to
understanding, to
wisdom. This is a great
book, for two reasons:

1. it takes the whole of
the classical method and
roots it soundly in the
Bible, and 2. it lays out
many options for a
classical, biblically
based course of study
that are not
overwhelming to the
average family. Even if

Access Free Gettysburg

you never intended to use this approach, the many insights into education are well worth the price of the book.
