Twelve-year-old Benji, in Virginia visiting his grandmother, meets the ghost of a Virginia Military Institute cadet who was killed in the Battle of New Market in 1864 and helps him recover his family's treasured gold watch.

A young boy earns respect and friendship when he meets the ghost of a Civil War soldier.

While spending his summer vacation at his grandmother's old Virginia home, Benji Stark meets the ghost of a Virginia Military Institute cadet who died at the Battle of New Market during the Civil War. Reprint. AB.

The ghost of a young soldier from the Civil War haunts a troubled teen. "I sat up. The jagged trenches were only soft grassy depressions in the sunny battlefield park. I felt tears burn my eyes, the relief was so strong, and then the misery of losing the ghost hit me." Alexander has the ability to see ghosts. But it's been several years since his last encounter. When he reluctantly joins his father on a long trip away from home, a surprise awaits him. In the unfamiliar territory of North Carolina, Alexander is confronted by the ghost of a young soldier who lost his life in the Civil War. As an unusual friendship develops between the two, Alexander is drawn into a new reality where he comes face to face with the haunting past of his soldier friend. But can Alexander help this troubled ghost, and can he, finally, come to terms with his own disturbing past? With deftness and insight, Elaine Marie Alphin tells a gripping story that weaves the supernatural with the historical. Ghost story fans and Civil War buffs alike are in for a real treat. Ghost Soldier is a nominee for the 2002 Edgar Award for Best Juvenile Mystery.

I have a confession to make. When I read, I run one finger along the text, just to keep my place. It's weird, I know- and it makes it look like I'm about seven, or illiterate. But I'm not, I swear- at least you believe me. That's more than I can say for my English teacher. The funny thing is, everything that happened afterward is a direct result of this finger in the text thing, and even though that makes for a weird story, you've got time to listen, so just chill and I'll tell you all about it.

A powerful, character-driven narrative of the Korean War from the Pulitzer Prize-winning writer who helped uncover some of its longest-held and darkest secrets The war that broke out in Korea on a Sunday morning 70 years ago has come to be recognized as a critical turning point in modern history, as the first great clash of arms of the Cold War, the last conflict between superpowers, and the root of a nuclear crisis that grips the world to this day. In this vivid, emotionally compelling and highly original account, Charles J. Hanley tells the story of the Korean War through the eyes of 20 individuals who lived through it—from a North Korean refugee girl to an American nun, a Chinese general to a black American prisoner of war, a British journalist to a US Marine hero. This is an intimate, desper kind of history, whose meticulous research and rich detail, drawing on recently unearthed materials and eyewitness accounts, brings the true face of the Korean War, the vastness of its human tragedy, into a sharper focus than ever before. The "Forgotten War" becomes unforgettable. In decades as an international journalist, Hanley reported from some 100 countries and covered more than a half-dozen conflicts, from Vietnam to Afghanistan and Iraq.

Cameron Miller is pretending to be someone he isn't. When he began presenting himself as Neil Lacey, it was the only way he could think of to distance himself from what Pop had done, to finally climb out of his nightmarish existence. He thought it would be easy—playing the rich kid, sailing his boat—but he didn't count on Cougar. Now Cougar, his father's old accomplice, has tracked Cameron down and presented an ultimatum: Share the wealth or be exposed. Will Cameron give up his new identity to protect Neil's family? Or will he let his search for a new life destroy those around him?

True stories of the spookiest sites in this beautiful South Carolina city—including photos! On the historic streets of Charleston, true life is sometimes stranger than fiction. In this book, Ed Macy and Geordie Buxton share stories of the paranormal in ghastly and sometimes dreadful detail. Combining through the oft-forgotten enclaves of the Holy City, they bring readers face to face with: The orphans who haunt a dorm at the College of Charleston A Citadel cadet who haunts a local hotel The specter of William Drayton at Drayton Hall Plantation And more! Enriched by historic background information and specific details that are often lost in ghost stories, this collection sparks curiosity about what might still be lurking in the alleyways of Charleston 's storied streets.
