Gatsby is standing in his yard, looking at a green light when Nick first sees him. Notice how many times Fitzgerald uses the words hope or dream. Why does he do this? Fitzgerald uses the words hope and dream because they are living the American dream. Nick starts the novel by relaying his father's advice " Whenever you feel like criticizing anyone, just remember that all the people in this world haven't had the advantages that you've had."

In The Great Gatsby, Chapter 1, the table is set, both figuratively and literally. Figurative table setting includes meeting our narrator, Nick Carraway, and getting a sense of the wealthy Long Island neighborhood where the novel will take place. Literal table setting—well, that’s the dinner Nick has with his cousin Daisy, her husband Tom, and their friend (and Nick’s eventual love interest) Jordan Baker.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald’s career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald’s crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor’s kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald’s The Great Gatsby is a classic work of American literature reimagined for modern readers.

A vibrant self-portrait of an artist whose work was his life. In this new collection of F. Scott Fitzgerald's letters, edited by leading Fitzgerald scholar and biographer Matthew J. Bruccoli, we see through his own words the artistic and emotional maturation of one of America's most enduring and elegant authors. A Life in Letters is the most comprehensive volume of Fitzgerald's letters -- many of them appearing in print for the first time. The fullness of the selection and the chronological arrangement make this collection the closest thing to an autobiography that Fitzgerald ever wrote. While many readers are familiar with Fitzgerald's legendary "jazz age" social life and his friendships with Ernest Hemingway, Gertrude Stein, Edmund Wilson, and other famous authors, few are aware of his writings about his life and his views on writing. Letters to his editor Maxwell Perkins illustrate the development of Fitzgerald's literary sensibility; those to his friend and competitor Ernest Hemingway reveal their difficult relationship. The most poignant letters here were written to his wife, Zelda, from the time of their courtship in Montgomery, Alabama, during World War I to her extended convalescence in a sanatorium near

Asheville, North Carolina. Fitzgerald is by turns affectionate and proud in his letters to his daughter, Scottie, at college in the East while he was struggling in Hollywood. For readers who think primarily of Fitzgerald as a hard-drinking playboy for whom writing was effortless, these letters show his serious, painstaking concerns with creating realistic, durable art.

"The Minister's Black Veil" is a short story written by Nathaniel Hawthorne. It was first published in the 1832 edition of *The Token and Atlantic Souvenir*. It was also included in the 1836 edition of *The Token and Atlantic Souvenir*, edited by Samuel Goodrich. It later appeared in *Twice-Told Tales*, a collection of short stories by Hawthorne published in 1837.

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. *The Great Gatsby* is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.
