The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that "... He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."

Seminar paper from the year 2014 in the subject American Studies - Literature, grade: 1.0, University of Constance, language: English, abstract: The Great Gatsby by Fitz Scott Fitzgerald is considered to be one of the greatest American novels, one of the key themes in the book is Gatsby 's dream and it will be the centre of this term paper. Out of the various approaches to the book, this paper will focus on the character constellation of the protagonist Jay Gatsby and Daisy, the woman with whom he falls in love. How does Gatsby 's dream develop in connection with his fascination to Daisy? Claiming that, although two people are involved, his dream is only focused on himself, I will try to show, at least to a certain extent, how Gatsby 's dream has "three basic and related parts: the desire to repeat the past, the desire for money, and the desire for incarnation of "unutterable visions" in the material earth." (Lockridge, 1968) Since Daisy represents all of these dreams when they meet for the first time, she becomes the personification of his dream, but in the course of the events their paths become separated. Therefore, this term paper will also investigate how Gatsby 's dream further develops since being separated from Daisy and finally what happens when he meets Daisy again - why does she in the end "[tumble] short of his dreams" (Fitzgerald, 2000)? Regarding the often discussed issue, whether or not Fitzgerald was writing a myth specifically about America and the American Dream, or whether Gatsby 's dream can attain a wider relevance, I will not be able to refer to in much detail. The paper will also not discuss the point of narrative, but it is nevertheless crucial to mention that "Gatsby is presented almost entirely through Nick is puzzled and often disapproving eyes." (Parkinson, 1988)

Scott Fitzgerald is an author who is well known for illustrating life during the Jazz Age in his works. In this treatise, we will be dealing with one of those novels. More specifically, this is a study about Jay's obsession in "The Great Gatsby". James Gatz alias Jay Gatsby is a newly rich gangster who wants to regain the heart of his lost love, the upper-class girl Daisy. To begin with, I will try to find out where Jay's obsession comes from, where it starts, and what the reasons for his becoming obsessive are. Secondly, I will have a look at how and why the obsession increases. During that, the relationship to Dan Cody will be inspected. Then it is time to have a closer look at Daisy. Her relationship to Gatsby is the most important one in the book. Daisy's influence on Gatsby will be shown clearly. Furthermore, I will talk about the importance of money for Jay's obsession and possible connections to other desires especially with regard to his relationship with Daisy. Gatsby's way of using his money will be reviewed. Because time is an important element for the story, the relation between time and Jay's obsession will be discussed. Here Daisy, as Gatsby's dream, is again closely connected, now to time. A faint foreshadowing of Gatsby's great failure will be brought out in this chapter already.

The mysterious millionaire Jay Gatsby and beautiful debutante Daisy Buchanan stride out of F. Scott Fitzgerald's great American novel to model an elegant and glamorous wardrobe of Roaring Twenties fashions. Dress Daisy in saucy flapper dresses, jaunty fedoras, jeweled headbands, and more while Jay can cut an impressive figure with his famous pink suit and other opulent attire. Additional dolls and outfits, based on other well-known characters, include Jordan Baker, Myrtle Wilson, Nick Carraway, and Tom Buchanan. An illustrated backdrop is also included.

Scott Fitzgerald's novel "The Great Gatsby" from 1925. It will present an examination of whether the pursuit of happiness and freedom or the pursuit of success and wealth has a higher importance in the novel. During the time of Prohibition many newly rich people earned their money from the bootlegging business, selling illegal alcohol out of their back doors. And Jay Gatsby is one of them. But is Gatsby's economic success nevertheless a realization of the American Dream? It is important to ask that question because often The Great Gatsby is mainly associated with the American Dream and its typical lifestyle. Parties, money, expensive cars and women dressed in the typical fashion of the "Golden Twenties". But there is much more behind Jay Gatsby's story. How did he make his way up to the top? And how important is wealth, success and his social status really in his opinion? In the following those questions will be given a closer look at. At first a definition and the history of the American Dream will be given. Then there will be some general information about the Prohibition. Afterwards Gatsby's reputation in society, also concerning his wealth and illegal means will be analysed. The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, The Great Gatsby provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

This term paper shall examine what historical circumstances constituted the "common adventures" and "common attitudes" of that generation as reflected in Fitzgerald's novel The Great Gatsby. The term "The Lost Generation" was given by Gertrude Stein, an authoress of note and contemporary of both Fitzgerald and Hemingway, who used her quotation: "you are all a lost generation," as the epigraph for his novel The Sun Also Rises. What is meant by the attribute "lost"? Why was this dismal term applied to the young adults of the 1920s - an era of prosperity and freedom in America? How did Fitzgerald depict this "lost" world in The Great Gatsby, with respect to material abundance on the one hand versus spiritual poverty on the other? The zeitgeist of an era inevitably shapes the human beings who live in it: how they act, what they look like, and what they think the meaning of their lives in particular and humanity in general might be. Therefore, it is necessary to explore the 1920s in America in order to understand fully the meaning Fitzgerald communicates in The Great Gatsby. This paper will therefore investigate several characte
