In the end, Henry & June is not particularly erotic, but it is boldly sensual, in the vein of Kaufman's previous film *The Unbearable Lightness of Being*. Even though Henry often ends up at the receiving end of June's jokes, they are very close friends. There have been threats to their bond - most notably in the episode *Won't Stick to Most Dental Work*, in which Henry got tired of being made fun of and left - but they always ended up back together in the end.
