More than money. May 21, 2015 / Jessica Gross. "When we think about how people work, the naive intuition we have is that people are like rats in a maze," says behavioral economist Dan Ariely (TED Talk: What makes us feel good about our work?) "We really have this incredibly simplistic view of why people work and what the labor market looks like.". Instead, when you look carefully at the way people work, he says, you find out there's a lot more at play - and at stake - than money.
