not just run away, but run. This is where the myth of Maniac Magee begins, as he changes the lives of a racially divided small town with his amazing and legendary feats.

From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

This beloved celebration of individuality is now an original movie on Disney+! A modern-day classic and New York Times bestseller from Newbery Medalist Jerry Spinelli. *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. "Spinelli has produced a poetic allegorical tale about the magnificence and rarity of true nonconformity." -- The New York Times

Somehow, he must learn how to stop being afraid and stand up for what he believes in. *Wrinker* is a powerful tour de force from Newbery Medal winner Jerry Spinelli.

The long-awaited prequel to the bestseller *FOURTH GRADE RATS* George, aka "Suds," has just entered third grade, and he's heard the rhyme about "first grade babies/second grade cats/third grade angels/fourth grade rats," but what does this mean for his school year? It means that his teacher, Mrs. Simms, will hold a competition every month to see which student deserves to be awarded "the halo" - which student is best-behaved, kindest to others, and, in short, perfect. Suds is determined to be the first to earn the halo, but he's finding the challenge of always being good to be more stressful than he had anticipated. Does he have to be good even outside of school? (Does he have to be nice to his annoying little sister?) And if Mrs. Simms doesn't actually see him doing a good deed, does it even count? A warm, funny return to elementary school from master storyteller Spinelli.
