For Principles of Marketing courses that require a comprehensive text Help students learn how to create customer value and engagement In a fast-changing, increasingly digital and social marketplace, it's more vital than ever for marketers to develop meaningful connections with their customers. Principles of Marketing helps students master today's key marketing challenge: to create vibrant, interactive communities of consumers who make products and brands an integral part of their daily lives. To help students understand how to create value and build customer relationships, Kotler and Armstrong present fundamental marketing information within an innovative customer-value framework. Thoroughly revised to reflect the major trends impacting contemporary marketing, this edition is packed with stories illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities. Also available with MyMarketingLab This title is also available with MyMarketingLab-an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Hands-on activities and exercises enable students to better understand and master course concepts, and the skills required to be successful marketers today. NOTE: You are purchasing a standalone product. MyMarketingLab does not come packaged with this content. If you would like to purchase both the physical text and MyMarketingLab search for: ISBN-10: 0133973107 / ISBN-13: 9780133973105. That package includes ISBN-10: 0133795020 / ISBN-13: 9780133795028 and ISBN-10: 0133862097 / ISBN-13: 9780133862096. MyMarketingLab should only be purchased when required by an instructor.

For undergraduate courses on the Principles of Marketing. An introduction to the world of marketing using a proven, practical, and engaging approach Marketing: An Introduction shows students how customer value--creating it and capturing it--drives every effective marketing strategy. Using an organization and learning design that includes real-world examples and information that help bring marketing to life, the text gives readers everything they need to know about marketing in an effective and engaging total learning package. The Thirteenth Edition reflects the latest trends in marketing, including new coverage on online, social media, mobile, and other digital technologies, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Also Available with MyMarketingLab™ This title is also available with MyMarketingLab--an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyMarketingLab does not come packaged with this content. If you would like to purchase both the physical text and MyMarketingLab search for: 0134472497 / 9780134472492 Marketing: An Introduction Plus MyMarketingLab with Pearson eText -- Access Card Package Package consists of: 013414953X / 9780134149530 Marketing: An Introduction 0134132351 / 9780134132358 MyMarketingLab with Pearson eText -- Access Card -- for Marketing: An Introduction

Products often begin their lives as something extraordinary and as they grow they continue to evolve. The most successful products in the marketplace are those that know their strengths and have branded and marketed those strengths to form a passionate emotional connection with loyal users and relationships with new users every step of the way. In CONTEMPORARY MARKETING, 13e, students will find a text that includes everything they need to know in order to begin a marketing career, as well as things that will help them understand how to look at their own studies and their own careers as a marketing adventure. All the components of the marketing mix are included along with a lot of other compelling and thought-provoking ideas and concepts. Since its first edition, CONTEMPORARY MARKETING continues to showcase the foundations of marketing principles while featuring the newest trends and research in the discipline.

Talks about the field of International Marketing. This title includes coverage of technology's impact on the international market arena and a comprehensive website, helping to provide updates to text content in this continually changing field.

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

International Marketing addresses global issues and describes concepts relevant to all international marketers, regardless of their international involvement. Notwithstanding the extent of global perspective that firms may have, they are affected by the competitive activity in the global marketplace. It is this perspective that the authors bring into this edition of the text. The text focuses on the strategic implications of competition in different markets. The environmental and cultural approach to international marketing permits a truly global orientation. Thus the reader's horizon is not limited to any specific nation but the text provides an approach and framework for identifying and analyzing the important cultural and environmental uniqueness of any nation or global region. Salient Features: ? 10 Indian cases included in the book ? New sections on negative impact of new communication tools, intellectual property rights in the international context, Brexit, inventive international negotiation etc. ? Thoroughly updated data, text, pictures and exhibits across the chapters ? More than 100 new academic articles and their findings integrated and cited across the chapters

Management Information Systems provides comprehensive and integrative coverage of essential new technologies, information system applications, and their impact on business models and managerial decision-making in an exciting and interactive manner. The twelfth edition focuses on the major changes that have been made in information technology over the past two years, and includes new opening, closing, and Interactive Session cases.
