Williamson became a more obscure competitor to Adamski, eventually combining his own channelling and the beliefs of a small contactee cult known as the Brotherhood of the Seven Rays, led by Marion Dorothy Martin, to produce a series of books about the secret, ancient history of mankind: *Other Tongues—Other Flesh* (1957), *Secret Places of the Lion* (1958), *UFOs Confidential* with John McCoy (1958), *Road in the Sky* (1959) and *Secret of the Andes* (1961).

~~Other Tongues — Other Flesh~~
~~by George Hunt Williamson~~

...

Because many believe there are contradictions in some of the reported happenings, it has been necessary to show that there is a great story and purpose behind all these experiences. Here, in this book, is the history of other tongues, and of other flesh; calm, scientific evidence that there are brothers of ours in the skies overhead.
