on September 9, 2017 September  
10, 2017. by Quadir. Production  
technology is one of the key  
branches of mechanical  
engineering. With increase in the  
demand of different products,  
production technology also  
changed proportionally. Having  
such a great advancement in the  
production of products, there is a  
significant reduction of human  
efforts and also production time is  
reduced by one-fourth.
