American Board of Physical
Medicine and Rehabilitation ...
Physical medicine and
rehabilitation, also known as
physiatry, is a branch of medicine
that aims to enhance and restore
functional ability and quality of
life to people with physical
impairments or disabilities. This
can include conditions such as
spinal cord injuries, brain injuries,
strokes, as well as pain or
disability due to muscle, ligament
or nerve damage. A physician
having completed training in this
field may be referred to as a
