Are you ready to be a contender? Sylvester Stallone's action-oriented program for getting fit and eating right is also a revealing portrait of one of Hollywood's biggest stars. Sly Moves is more than just a handbook on fitness and nutrition. It's a provocative and candid inside look at the trials and triumphs of one of Hollywood's most famous stars. Throughout his career, Sly has always been body conscious, and as he experimented with intense training methods for various films, he has learned — often the hard

way — what works and what definitely doesn't. His goal here is to help readers change harmful fitness habits, learn to counter reckless eating, and appreciate who they are even when they don't feel much like action heroes. Part 1 is a history of Sylvester Stallone's physique, as the Rocky star shares stories about his being bullied as a child, finding comfort and strength at the gym, and then later, the wild ride of fad diets, crash-training regimens and workout disasters that fringed on obsession. Part 2, The Sly Moves workout, outlines four exercise programs: classic, advanced, women's and hardcore. The workouts only require a commitment of about three hours a week (exactly the same amount of time Sly works out). The Sly Moves eating plan (Part 3) is Sly's nutrition guide, highlighted by a unique meal plan for a lifetime of good eating. Part 4 gives Sly an opportunity to inspire and encourage readers to make Sly Moves

part of a long-term picture of health, fitness and wellbeing, with tips on everything from keeping goals and relaxation techniques to lessons learned from The Contender.

With his sculpted physique and brooding good looks, Sylvester Stallone remains the quintessential movie star. His love life has drawn as much attention as his \$2 billion-grossing films. After a long-suffering first wife and a philandering second, his current spouse is a supermodel 25 years his junior, and between each marriage he was seen with a catwalk's worth of women who seemed to live on the cover of Vogue. Stallone: A Rocky Life reveals the emotional background of this most private public figure. Based on

exclusive interviews with the star himself, his outspoken mother, his second wife and a host of celebrity colleagues and friends, the book presents an insider's view of the actor. Fans will find the star's personal life as compelling as any of his action adventures. The author also tells the story of Stallone's film career, from cartoon icon to failed comic actor to his incarnation as an overweight anti-hero in the critically acclaimed Cop Land. Stallone: A Rocky Life is a thoughtful examination of a man who faced up to tragedies and setbacks to win fame, fortune and happiness.

eat your favorite chips, cookies, and ice cream! The reason so many diets fail for so many people is that they force the dieter to cut out the foods they love and crave. With The 90/10 Weight-Loss Plan, dieters learn to balance their food intake by eating 90% healthy, nutritious food, with 10% "Fun Food"--whatever they want, whenever they want. Nutritionist Joy Bauer has created a phenomenon that has taken the nation by storm: a diet that is healthy and easy to follow. And since dieters don't feel deprived of their favorite foods, The 90/10 Weight-Loss Plan is a program they can stay on. The innovative plan offers: - Three different caloric levels, based on one's weight-loss goal - 42 meals for each level, including breakfasts, lunches, dinners and snacks - Meals that provide the most nutrition possible, while reducing saturated fat and cholesterol intake - Meals that help reduce the risk of heart disease
