The Taylor Swift calendar has been my go-to calendar for the last few years. Last year she released both a live calendar and a posed calendar and both were excellent. This one is a bit of a letdown as the images are all quite similar. Taylor appears in the same outfit in a majority of the months so there is not as much variety as in years past.

Harness the power of your wardrobe to achieve your dreams with this timely take on personal style from a world-renowned fashion psychologist. You may get dressed every day without really thinking about what you're putting on, but did you know that what you wear has a powerful effect on how you feel? Or that your clothes influence the way others perceive you? By making a few adjustments to your wardrobe, and learning to style from the inside out, you'll not only elevate your look, but level up your entire life. Dawnn Karen is a pioneer in the field of fashion psychology, and she has spent years studying the relationship between attire and attitude. In *Dress Your Best Life* she goes far beyond well-known makeover advice, pushing you to ask yourself: Are my clothing choices hurting me or helping me to achieve my life goals? Her book will help you discover your unique style story, become a smarter shopper, use color to your advantage, match moods to clothing choices, and embrace new or different standards of beauty. This knowledge is a power that you'll exercise every time you open your closet door or walk into an important meeting in just the right outfit. Packed with practical tips and cutting-edge advice, *Dress Your Best Life* will teach you to harness the power of fashion for the life you want to live.

This volume is written as a treatise to dismantle the powers of discriminatory incubuses that have haunted institutions of higher learning, one narrative at a time.

Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored. *Disciplinary Literacy Connections to Popular Culture in K-12 Settings* is an essential publication that explores a conceptual framework around pedagogical connections to popular culture. While highlighting a broad range of topics including academic creativity, interdisciplinary storytelling, and skill development, this book is ideally designed for educators, curriculum developers, instructional designers, administrative officials, policymakers, researchers, academicians, and students.

Taylor Swift is an American singer-songwriter. One of the world's leading contemporary recording artists, she is known for narrative songs about her personal life, which have received widespread media coverage. Born and raised in Pennsylvania, Swift moved to Nashville, Tennessee at the age of 14 to pursue a career in country music. She signed with the label Big Machine Records and became the youngest artist ever signed by the Sony/ATV Music publishing house. Her 2006 self-titled debut album peaked at number five on the Billboard 200 and spent the most weeks on the chart in the 2000s. The album's third single, "Our Song," made her the youngest person to single-handedly write and perform a number-one song on the Hot Country Songs chart. Swift's second album, *Fearless*, was released in 2008. Buoyed by the success of pop crossover singles "Love Story" and "You Belong with Me," *Fearless* became the best-selling album of 2009 in the US. The album won four Grammy Awards, with Swift becoming the youngest Album of the Year winner. Swift was the sole writer of her 2010 album, *Speak Now*. It debuted at number one in the United States and the single "Mean" won two Grammy Awards. Her fourth album, *Red* (2012), yielded the successful singles "We Are Never Ever Getting Back Together" and "I Knew You Were Trouble." For her fifth album, the pop-focused *1989* (2014), she received three Grammys, and became the first woman and fifth act overall to win Album of the Year twice. Its singles "Shake It Off," "Blank Space," and "Bad Blood" reached number one in the US, Australia, and Canada. The 2015 concert tour for *1989* became one of the highest-grossing of the decade. Swift's sixth album, *Reputation* (2017) and its lead single "Look What You Made Me Do" topped the UK and US charts; with the former, she became the first act to have four albums sell one million copies within one week in the US. As a songwriter, Swift has received awards from the Nashville Songwriters Association and the Songwriters Hall of Fame, and was included in *Rolling Stone's* 100 Greatest Songwriters of All Time in 2015. She is also the recipient of 10 Grammys, six Guinness World Records, one Emmy Award, 23 Billboard Music Awards, and 12 Country Music Association Awards. Swift is one of the best-selling music artists of all time, having sold more than 40 million albums-including 27.8 million in the US-and 130 million single downloads. She has appeared in *Time's* 100 most influential people in the world (2010 and 2015), *Forbes'* top-earning women in music (2011-2015), *Forbes'* 100 most powerful women (2015), and *Forbes* Celebrity 100 (2016). Her inclusion in the third of these made her the youngest woman on the list, and she ranked first in *Celebrity 100*.
