The Birds And Other Stories

This is an excellent audiobook contains two short stories by Daphne du Maurier. They are both great stories. "The Birds" is the basis for the Hitchcock movie of the same name. I had never heard of "Don't

that eponymous wife ("brought back . . . from [the dictator's] last visit to America") grows more desperately, menacingly isolated every day. In "Delicate Edible Birds," a group of war correspondents—a lone, high-spirited woman among them—falls sudden prey to a brutal farmer while fleeing Nazis in the French countryside. In

Get Free The Birds And Other Stories Virago

"Lucky Chow Fun," Groff returns us to Templeton, the setting of her first book, for revelations about the darkness within even that idyllic small town. In some of these stories, enormous changes happen in an instant. In others, transformations occur across a lifetime--or several lifetimes. Throughout the collection, Groff displays

Get Free The Birds And Other Stories Virago

particular and vivid preoccupations. Crime is a motif--sex crimes, a possible murder, crimes of the heart. Love troubles recur; they're in every story--love in alcoholism, in adultery, in a flood, even in the great flu epidemic of 1918. Some of the love has depths, which are understood too late; some of the love is shallow, and also

Get Free The Birds And Other Stories Virago

understood too late. And mastery is a theme--Groff's women swim and baton twirl, become poets, or try and try again to achieve the inner strength to exercise personal freedom. Overall, these stories announce a notable new literary master. Dazzlingly original and confident, Delicate Edible Birds further solidifies

Get Free The Birds And Other Stories Virago

Groff's reputation as one of the foremost talents of her generation.

Where do the metal death gliders come from? To the glass-sailors of the five villages the slow birds that inched over the Earth at shoulder height, appearing and vanishing, were a mystery - until young
