Presents an introduction to business market for several editions for three reasons: the commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, we listen to our customers, and the quality of our supplements package.

Includes glossary & index.

Understanding Business has long been the market leader because we listen to instructors and students. With this eleventh edition we are proud to offer a platinum experience, that: Improves Student Performance—Understanding Business puts students at the center. It's the only learning program on the market to offer proven adaptive technology that increases grades by a full letter through Connect® Business, and the only program to offer the first and only adaptive eBook ever, SmartBook. Enhances your Teaching—The authors are dedicated to supporting your teaching and your student's learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All—This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What's more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components. Choose a platinum experience. Choose Understanding Business.

Equip your students with a solid global understanding of macroeconomic principles as you introduce the latest thinking of economists on important macroeconomic phenomena with Boyes/Melvin's MACROECONOMICS, 10E. Now you can clearly illustrate the connections between key macroeconomic principles and actual business practices with this book's reader-friendly approach, carefully integrated learning features, memorable examples, and unique global emphasis. Timely revisions and the latest macroeconomic statistics ensure you are teaching using the most recent data and developments. Revised macroeconomics materials emphasize the fundamentals and the practical application of concepts to current events. New macroeconomics coverage highlights the recent financial crisis and its global implications. Your students gain in-depth understanding of globalization and its impact on economic growth and poverty. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Updated throughout with new vignettes, boxes, cases, and more, this classic text blends the most recent sales management research with real-life "best practices" of leading sales organizations. The text focuses on the importance of employing different sales strategies for different consumer groups, and on integrating corporate, business, marketing, and sales strategies. It equips students with a strong foundation in current trends and issues, and identifies the skill sets needed for the 21st century.
