After a devastating loss, Cindy Riehl is still searching for peace. Will she find it in the community she calls home—or will love send her down a new path? Over the last few years, Cindy Riehl—the youngest of the Riehl siblings—has watched her brothers and sister find love and happiness in Lancaster County. But as her family has settled down and grown, Cindy has continued to grieve her mother, whose death left an enormous hole in her heart. Since that haunting day, Cindy has struggled to find peace and wonders if the community is the place for her—and if her faith in God will ever feel the same as it once did. When a handsome and kind Englisher named Drew crosses Cindy's path one surprising day, the two of them become fast and easy friends. Drew dreams of starting a family after some losses of his own, and before long, he and Cindy discover that their feelings for each other are romantic. As they spend more time together—often in secret—Cindy is drawn further and further away from the Amish community and the family she loves. In time, she is faced with a difficult choice that threatens to upend her world. Will Cindy find contentment and love, and will she ever find restored comfort in God and her beloved community? In this final installment of the Amish Homestead series, we return to the charming town of Bird-in-Hand for a story of healing, family, and God's perfect provision.

When Julia gets kicked out of the Kingston School for the Deaf for putting up an illegal mural, she is moved to a mainstream school in the suburbs where she starts putting up more art, but she soon finds that someone is showing off their skills by adding to her tags.

Sixteen-year-old Louisa Softly is not used to anything exciting happening to her or in the fragrant land of Roseberry. Still, she

cannot shake the feeling she is being watched. But with an official unicorn naming party to plan, Louisa shrugs off her uneasiness and hopes she is worrying about nothing. It is not an easy task naming a unicorn. Louisa knows she cannot give him just any old name. It has to be perfect. After she finally settles on Twilight and announces it to her family and friends, Louisa and her unicorn immediately form a tight bond. But when she discovers a book that holds certain truths, Louisa is led down a mysterious path where secrets are revealed. Now she and Twilight must combine their talents and gifts to save the beautiful Fairywood from a horrifying fate. In this delightful tale for all ages, a teenager must learn to rely on her instincts and intuition after she embarks on a dangerous journey with her unicorn to fulfill her destiny.

As the only book of its kind, this book describes the social and historical background of this signed language and places Irish Sign Language in a world context. The Signs of Ireland corpus is used to introduce phonology, morphology, syntax, semantics and pragmatics. It also examines the key influences driving signed language linguistics in the past decade, including: recognition of the role of gesture; the influence of cognitive linguistics; the complexities of iconic representation in signing space; the role of simultaneous construction; and the grammar of ISL. All examples listed are drawn from the Signs of Ireland corpus, one of the largest digital corpora of a signed language in Europe, and are included on the accompanying DVD. An essential resource for sign language teachers and interpreters, students of sign linguistics, and learners of ISL in Ireland, this book offers new insights into the role of gesture, spatial models, iconicity, metaphor, and metonymy in ISL grammar, vocabulary and discourse.
